

10 Reasons why you should sign up for... Leadership, Stewardship & Sustainability: An Advanced Holistic Coaching Approach

1. You'll develop a deeply integrated way of coaching that sees the organic relationships between body, emotions, mind, & spirit *with* how organizations are run *with* nature's health and well-being – and the whole sustainability of life
2. You'll learn practical ways to understand and leaders the synergies between social, environmental, and financial health and well-being
3. You'll be able to demonstrate the limits of the industrial paradigm and the benefits of the emerging sustainable paradigm to your clients and help them learn how to bridge these paradigms
4. You'll develop more holistic ways to notice, listen, inquire, & be gently provocative as a holistic Observer-I-Am
5. You'll create a new niche for your coaching practice in an area that will continue to grow in value
6. You'll be able to describe differences and advantages when operating from a stewardship mental model when coaching leaders
7. You'll become engaged in a community of practice that extends into a global network of people working to build an inclusive, dignified, safe & healthy world
8. You'll be able to create a holistic space for leaders to connect their perceptions, actions, organizational culture, systems, and practices for sustainability
9. You'll understand four key relationships that strengthen our spirituality-in-action
10. You'll become part of an active community of practice with coaches who are actively integrating sustainability into how we work to support leaders
